

CMS Golf Club Information

Parent/Student meeting February 13

@ 6pm in the CMS library-enter door 1

Details we know so far:

- Club will be approximately \$125. This will cover practice range, matches and shirts.
- Golfers will need to provide their own set of clubs.
- Practices start at CMS in March and will move to Noble Hawk Golf Course when weather allows.
- Exact dates have not be finalized, however the season will run from the week of March 18 to May 17.
- Because this is a club sport, parents will have to provide transportation to/from Noble Hawk Golf Course and to/from golf matches at other courses.
- We will meet/practice once or twice a week. This will depend on the number of kids who sign up. Practices will fall on Wednesdays, Thursdays, or Fridays from approximately 4:30-6:30pm. (Match nights will most likely be longer-depending on the number of teams involved in the matches).

Please plan to join us for the informational meeting on Tuesday February 13th. We are hoping to have more information and answer any questions you might have.
