SCIENCE*Mr. Corah/Mr. Windmiller*

Sixth Grade Scientists are finishing up their study of our Solar System. March begins with students finishing our SPACE WARS Breakout. The students have been using several resources to learn about the characteristics of objects in our solar system as they race to save the next object from reclassification. At the end of the breakout we will look at the relative sizes of all the objects including seeing what a full pop can would feel like on different planets. It's very interesting to see the difference between what a pop can feels like on Jupiter and Earth! We will finish our space unit with the Earth Space Unit test. Resources will be available on Canvas to help your student prepare.

The remainder of March will be the start of our last unit in 6th Grade Science, Life Science. Our study will begin by studying the biotic and abiotic needs of plants and animals.

MATH*Mr. Koehlinger/Mrs. Silveus*

Wow, where is our school year going? Academic classes will start the month by jumping into Chapter 13 and 14 finding Area and Volume of Polygons. Accelerated will be working on statistics and analyzing data finishing with a Data Project. Good luck on finishing the 3rd quarter strong and have a safe and relaxing Spring Break!

SOCIAL STUDIES*Mr. Lochmueller/Mr. Garman*

The students will spend the month of March focusing their study on the Middle Ages. We had a special Middle Ages Day on 3/6/20 that included a guest group teaching breakout sessions in the morning and a guest speaker discussing castles in the afternoon. Once we have finished this unit we will conduct a mini unit over the Renaissance and Reformation. Please let us know how we can assist you at any point throughout the year.

Please call the office by 9:00 a.m. to report a student's absence or late arrival. Our number is 637-5159. If you need to leave a message, please include your name, your student's name, their grade and the reason for the absence/late arrival.

If your child needs to leave during the day, please send a note with them stating their name, grade and reason for needing to leave. Please have them bring it to the office when they arrive at school in the morning and we will write them an early dismissal pass.

If your student will be missing school due to a planned vacation, please send a note to the office approximately one week prior to the absence stating your student's name, dates they will be absent and reason for the absence. Office staff will provide the student with a pre-arranged absence form that they will take to each of their teachers.

Textbook/Student Fees & Laptop Damage Fees must be paid by March 26, 2020. Payments may be made using NACS online payment, check (payable to CMS) or cash. FULL PAYMENT MUST BE MADE BY MARCH 26, 2020. Thank you! If you have any questions, please contact Michele Mettert, CMS Treasurer

CMS PTO Dine-to-Donate Coordinator Needed for the 2020-2021 School Year

The CMS PTO is looking for a Dine-to-Donate Coordinator for next school year. This position is responsible for organizing and arranging up to 6 Dine-to-Donate events by partnering with local restaurants and specialty shops. If you are interested, please contact us or attend one of our meetings. Our meetings are open to all CMS parents, teachers and staff.

Rise'n Roll Fundraising catalogs have been sent home with students. Forms are due March 18th with delivery just before Easter. CMS is in need of many new instructional items as well as special-needs support items. It is our hope, we can assist with those costly purchases. If each student ordered just one item, we would exceed our goal. We will be offering gift cards to the top two sales. All sales, regardless of size, will be entered into a raffle for additional prizes.

CMS PTO is looking for the help of an accountant.

As we strive to expand our support for Carroll Middle School, we are in need of help from a certified accountant to assist us with proper filings of non-profit forms. If you or someone you know is willing to assist us, please encourage him or her to contact us or attend one of our meetings. Our meetings are open to all CMS parents, teachers and staff.

THANK YOU...

The CMS PTO would like to thank all parents, teachers, and staff who have donated their time, money, treats and other support throughout the school year. Our success is only possible because of the efforts and kindness of everyone in the CMS community.
